

Vele (56 colours)

Vele is a high quality grain hide which has been carefully milled to bring out the natural look of the leather. It is finished with a super soft pigmented topcoat, and has a smooth silky touch. No artificial grain print has been used, so the hide has a smooth natural look with a variation in grain density. Vele hides offer excellent light fastness and stain resistance, and are easily maintained.

SPECIFICATIONS

Category:	Protected
Raw Material:	European
Country of Origin:	Italy
Average Hide Size:	55 Square Feet
Average Thickness:	0.9-1.1 mm
Test Method:	ISO 2589
Test Method:	ISO 5402
